SUMMARY

Computer Science student at Bina Nusantara University specializing in Artificial Intelligence, with a foundation in software development, database systems, and problem-solving. Seeking an internship opportunity to apply technical skills and contribute to impactful technology solutions.

EDUCATION

Bachelor of Computer Science, 3.5 / 4.00 **Sep 2024 - July 2028 (expected)**
Universitas Bina Nusantara
Senior High School Santo Kristoforus 2 (Science)

EXPERIENCE

IMAJINA Virtual Run 2026 | Co-Founder **June 2026**

- Co-founded and managed the execution of a virtual running event, overseeing operations, marketing, and participant engagement.
- Designed and optimized digital registration and participant management workflows to improve operational efficiency.
- Led a team responsible for coordinating event logistics, communications, and race result verification.
- Managed partnerships, promotional campaigns, and event branding across multiple digital platforms.

ALOR FOOD FESTIVAL by IMAJINA **April 2026**

- Co-founded and managed a large-scale food festival project, overseeing business strategy, operations, marketing, and stakeholder relations.
- Led cross-functional teams responsible for tenant acquisition, event logistics, content creation, and visitor engagement.
- Coordinated partnerships with venue management and food vendors to ensure successful event delivery.
- Executed digital marketing initiatives through social media campaigns and promotional content to increase event visibility and audience engagement.

The Taste of SINGKAWANG by IMAJINA **August 2025**

- Co-founded and led a cultural food festival showcasing authentic culinary traditions from Singkawang.
- Coordinated event planning, stakeholder relations, and operational execution to create an engaging visitor experience.
- Managed collaborations with vendors, venue partners, and marketing teams to promote regional culinary heritage.
- Directed promotional campaigns and community engagement initiatives across digital platforms.

PT Dos Pictures | Production Assistant

October 2024 - March 2025

- Assisted in setting up and preparing production equipment for photo and video shoots.
- Ensured equipment readiness and provided on-site support during production activities.
- Collaborated with production teams to facilitate smooth shooting operations.

ORGANIZATION

IMAJINA | Co-Founder

March 2025 - Present

- Co-founded and managed an event organizer focused on exhibitions and community events.
- Developed partnerships with vendors, tenants, and event stakeholders.
- Coordinated event planning and execution from concept development to on-site operations.

Bina Nusantara Computer Club (BNCC) | Learning Member

October 2024 - October 2025

- Completed a Laravel-based backend development training program covering PHP, MVC architecture, Blade templating, and CRUD application development.
- Learned database design concepts including ERD, normalization, primary/foreign keys, and table relationships.
- Developed understanding of REST APIs, JSON, authentication, authorization, file storage management, and software testing using PHPUnit.
- Utilized Git for version control and Postman for API testing and debugging.

SKILLS

PROFESSIONAL SKILLS

- Teamwork
- Discipline
- Time management
- Communication and Collaboration
- Responsible and Honest
- Adaptability
- Creative

TECHNICAL SKILLS

- Database (SQL)
- PHP (Laravel)
- Java (OOP)
- Prototype (Figma)
- Machine Learning (Python)
- NLP (Python)
- Computer Vision (Python)
- Git and Github
- JavaScript

CERTIFICATE / ACHIEVEMENTS

- Microsoft Elevate AI Training Session – Azure AI Fundamentals (AI-900T00-A), Microsoft Indonesia & GreatNusa.
